Sorry for the wait, Yoriko-senpai

Ah, Sayuri,
your tie is crook-ed.

Ah...
Keep still...
I'll fix it.

I wouldn't be able to do it well if I were in front of you. How is it now?
pull pull pull
It's... too tight...

『Be aware of your surroundings』
It's a cautious guy
stare
Oh, a cat
Ruu Ruru!
Senpai, that's the call for red foxes...
Ruu!
Ruu Rururu Ruuu Ruuu!
?!
Rururu!
sneak...
Ruu Ruu!
startled
Senpai
Please stop...
roll
Ruu Ruru!
roll

Sayuri, that's a pimple on your forehead, isn't it?
『Unflattering』
Yes .. It's embarrassing, so I'm trying to cover it with my bangs
You mustn't. If you cover it, germs will get in.
See, it's not embarrass—
It really does resemble Buddha!
May Sayuri's pimple soon be healed...
pray
pray
blush

『What kind of language is that?』
Here
I'll clean your ears
Eh?
B-but Yoriko-senpai...
I don't want you to see something dirty
Can you really not trust me?
I-I didn't mean it like that ..
I would never come to hate you...
...over something like seeing your ear poop
Ear poop?

『A strong chemical』
I want to become one with you like this, Yoriko-senpai.

I have some instant glue...
That's a bit too romantic.

Our skin and flesh stuck together too.
As one living being.

All right.
Eh...?
Surprise

Bye!
See you!
Senpai, sorry for the wait!
RUN RUN RUN RUN
Sa-yuri...
『I appreciate it, but...』
noogie noogie
There, there!
Geez, stop it, Sayurin!
You two seemed to be getting along really well...
Who was that girl just then?
Akagi-san? She's my friend from kinder-garten...
?
A-All the way from kinder-garten...
Senpai...
Ah...
That's her jealous face...

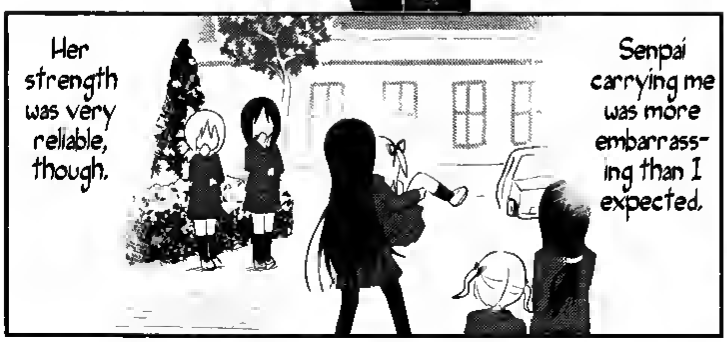
TH UD
Sayuri, a bee! Run!
?!
Eh?!
KYAA!
Is she on top?
bzzz
Ah...
Let me fix your crooked tie...
You want to do that now?
Ba-thump
BA-THUMP
BA-THUMP
ba-thump
ba-thump
Sa-yuri...
Sen-pai

I sprained my ankle.
Yipes...

I'll carry you.
Eh...?
I'd feel bad...

『Is this punishment?』
Can you stand?
Ouch

But, it was my fault.
Let me help you, Sayuri...
Sen-pai.



Her strength was very reliable, though.
Senpai carrying me was more embarrassing than I expected.
